Art For All

a 501 c.3 organization

JOIN ART FOR ALL TODAY!

For annual dues of \$30 members may rotate their art in city-wide locations. Artists and non-artists promote the visual arts in the Elgin area. Non-artists can meet artists and help increase visual art activities in the Elgin area. Art For All members are also expected to volunteer a few hours of their time each year to help get AFA art out to the public.

ART FOR ALL

ART FOR ALL is an Elgin area art league established to bring artists and the public together through their art.

ART FOR ALL meetings rotate between demonstrations, lectures, and critiques of members' art works.

ART FOR ALL members are encouraged to exhibit their art in any of our City locations, with the art changing every two months year round.

ART FOR ALL provides art scholarships to area college art students who exhibit academic success and financial need.

1. An annual exhibit at Gail Borden Public Library in December--our Annual Winter Art Show with artist awards and a community project to promote art with kids in mind.
2. Rotating exhibits year-round in several locations:
 - a. Elgin Recreation Centre
 - b. Carswell's Flooring
 - c. Elgin's City Hall, 2nd floor
 - d. AID, Assoc. for Individual Development, Bowes Rd.
 - e. Hawthorne Hill Nature Center
3. ART FOR ALL provides a bi-monthly newsletter with information on area art shows, artists sharing art tips, and other art news.
4. Art For All has a new website where artists may display their work. Visit the website at www.artforall-elgin.com or contact co-chair Pat Beckmann at info@artforall-elgin.com for more information.
